Coaching Option

When the needs are specific, it is sometimes necessary to be accompanied in order to properly evaluate the solutions available to you. The coaching option is a wise choice to benefit from the expertise of our office automation / computer graphics trainers. With the support of the coach, you will be able to determine the right work method, the right tools to use and complete your learning in order to take charge of your project with confidence.

Ask our advisors: contact@versalys.com

PROGRAM

Over the last 10 years, our team has helped more than 30,000 people recover over 1,798,000 hours in efficiency. We provide non-traditional training. Discover our hybrid formula by attending in-class courses with online content, or self-train using our videos and online tools. This is how you can recover up to two hours of efficiency per day!
